### **Arjunan Kulasegaram: Team owner – Clearwater racing Ferrari**

Matt has raced for our team on 5 occasions after being supplied to us from the Ferrari factory. At all times Matt has conducted himself as a true professional both on and off the track.

I must say that both times we have had Gianmaria Bruni and Matt Griffin in our car together I was unable to split them. In the Merdeka 12hr 2011 and 2012 they both did qualifying laps within 3 hundredths of each other. I will continue to use Matt at every opportunity.
